

# DISCIPLINE IN YOUTH MINISTRY

**Discipline is part of being a Disciple**

**Discipline helps this space become  
- Fun, Safe, Respectful, & Movement towards Jesus**

Believe that our students  
can attain our goal:

**High Fun  
High Truth**

Believe that our students  
can attain our rules:

**Participate  
Don't Be Disruptive**

Steps on how to lead with love!

## **1st WARNING:** Breaks Rule

Talk to student one-on-one and explain:

- What they were doing & how it went against CHAOS rules
- That makes me feel \_\_\_\_\_.
  - I believe that you you can meet our expectations.
- If this happens again... you will go sit with our parents for the rest of large group.

Example:

## **Last Steps:**

If a student continues to break the rules during small group -- bring them downstairs to parents & they will go home and can try again next week.

If a student is struggling at CHAOS, follow up with that student later in the week. Check in on them and remind them that they are still welcome to CHAOS.

## **Sitting With Parents:** Breaks Rule

Take the student(s) one-on-one.

- What they were doing & how it went against CHAOS rules again
- Remind them you gave them a warning and now have to sit outside of large group with parents until small group.
- That makes me feel \_\_\_\_\_. I believe that you you can do better
  - Walk them to parents in the back
  - Re-join your small group in Worship Center

Example:

We believe in you, and believe you can help set a safe and fun culture at CHAOS

Parents Sitting With Students

## **GO HOME: Breaks Rules Again**

PARENT VOLUNTEER Explain:

- What they were doing & how it went against CHAOS rules
- Your small group leader let you know that if you did this again you will be going home."
- Call parents, explain what happened & let them know they can try again last week.

\*\*\*Parent Volunteers/Brenna & Kristin will decide if a student is rejoining you for small group or is going home.

We will also follow up with them later and let them know they are still welcomed!
