

Weathering Life's Storms - Doug Tensen

Why do you call me 'Lord, Lord,' and do not do what I tell you?

- How to build your life on the rock: COME to Jesus (follow Him daily), HEAR what he says (listen to Him), and DO what he says (obey Him)
- How firm is your foundation? Are you building your life on the Rock? Is your life tragedy-proof, because the storms will come? Can you trust God's strength, wisdom and purpose, when the bottom falls out of your world?

Icebreaker:

- What is the first thing that comes to mind when you hear the word fun?
- What scares you the most about the future?

Small Group Questions:

- How are you doing at building your house on a firm foundation?
 - Are you coming to Jesus? Are you a good follower?
 - Are you hearing what he says? Are you a good listener?
 - Are you doing what he says? Are you obedient?
- Have you experienced storms in your life? How has that experience affected your faith?
- What things trip you up as you've followed Jesus? What gets in the way? What distracts you? What needs to be dug out of your life?
- What can you put into your life to help you be an obedient follower of Jesus? Think about Orchard Hill's 4 strategies: Invest in Others, Engage the Bible, Worship God, and Belong in Community
