

Believe and put your faith in Jesus - Stef Rohler

Engage the Bible: John 2 - Read and discuss as a group. Use the “Engage the Bible” resource to guide you through prayer, observation, interpretation, and application of the scripture. Do this as a group and talk through the small group questions below.

Icebreaker:

- Share some stories of weddings gone astray! We all have them!

Small Group Questions:

- Read the story of water to wine, John 2:1-11. What details or events help you to believe this was a miracle?
- Put yourself at the wedding. A week-long celebration involving the whole town. Imagine what impact this miracle had on those involved both directly and indirectly in the incident; Guests, servants, wedding couple, the people at the bakery the next day, etc. How would word have spread about this in the following days and weeks as people returned to their work and traveled home?
- Why do you think Jesus performed miraculous signs? Why did John record and share them?
- Do you see miraculous signs today?
- How does believing in the testimony of John, or in signs you have seen in your own lives today, help you believe in the promises of Jesus that we have yet to see? What are those promises?
